Add two numbers as a Linked List

↳ look @ 2 linked list which represent #s + add them

Ex: 342   2→4→3   linked list representation
                ← linked list representation will be in reverse order
       +465   5→6→4
       ─────
        807   7→0→8

Need to think about inputs + outputs
                    ↗ 2 linked lists   ↗ linked list
